

Nitin Kumar

FULL STACK WEB DEVELOPER

As a results-driven full stack developer, I am proficient in front-end and back-end technologies, delivering high-quality code solutions. I have a strong command of programming languages such as JavaScript, Python, HTML, CSS, and Java, and I am skilled in popular frameworks including React and Bootstrap for front-end development, as well as Node.js, Express, PostgreSQL, and Flask for back-end development.
